### Prohibition Against Tobacco Use on School Premises Policy

Use of any and all forms of tobacco products within the school buildings, school facilities, or on school grounds or school buses by any individual, including school personnel, is prohibited at all times.

- Charette's grounds shall be defined as all ground up to the curbs of sidewalks surrounding the school.
- Any member of the school community shall be subject to disciplinary action for violation of this policy and/or may be referred to an appropriate education program on tobacco assistance and/or substance abuse.
- This policy shall be promulgated to all staff and students in appropriate handbook(s) and publications; signs shall be posted in all school buildings informing the general public of the district policy and requirements of state law.
